

October 28, 2009

Dear Prospective Nurse Extern or New Grad Applicant,

While we are still very committed to nursing education and maintaining a strong relationship to support you in your dedication to the field of healthcare, we are placing a temporary hold on our upcoming extern and new grad programs.

We are exploring other options in the meantime to support you as you continue to pursue a rewarding career in nursing. Please check our website periodically for program updates and feel free to contact us at 928-771-5683.

Sincerely,

YRMC Nursing Education
