

YRMC Volunteers SOAR

This was the theme for our annual volunteer recognition luncheon held on April 9th. Attendees were treated as “1st Class Passengers on YRMC Airlines.” Once again, it was wonderful to see a room full of volunteers and celebrate the amazing service of our YRMC volunteers. In 2014 our volunteers gave 103,625 hours of service – what a tremendous contribution!

Our special “passenger” recognitions included:

East Campus Volunteer of the Year, Natalie McCann

West Campus Volunteer of the Year, Fern Cole

Sandy Zinn Martin Award, Linda Davidson

&

Dorothy Kalabus with the most years of service, 34 years

Marlene Beasley with the most hours, 12,224 hours

Our pilot, Mark Timm, kept us informed throughout the flight and also helped us to arrive safely to “Recognition Island.” One of our favorite moments during the luncheon was the spontaneous tossing of balloons all throughout the ballroom. Unplanned and such a joy to observe ... the laughter was infectious!

A great quote and a great spirit Heather!**

THANK YOU

**EAST CAMPUS
ESCORTS &
CART DRIVERS**

Our East Campus Escorts have been logging more steps and our Cart Drivers more miles as a result of the Infusion Center’s opening in early February. Special thanks were received from the Pharmacy and Infusion Center staff for their participation in all their runs between the two departments as well as the significant increase in transporting to this department. Our pharmacist stated, “Their efforts are a very significant factor in our ability to provide a positive patient experience.”

**Congratulations
Althea and Toby!**

Althea Friedman is holding a plaque that she received as a result of Toby’s work, in part, at YRMC. This award stated that Toby was designated by the American Kennel Club as a “Therapy Dog Excellent.”

Congratulations
on this distinguished award!

The White Rose . . . A Symbol of “End of Life” at YRMC

**A reminder for all volunteers who are on
the patient floors
(except Chaplains)
Do not enter rooms with this
symbol on the door**

When a patient is at "end of life," there is additional stress for the family and loved ones. We want to be sensitive at this time for the patient and family and allow as much privacy as possible during this sacred time. We believe alerting volunteers to the “end of life” status of the patient will help to minimize unnecessary interruptions, while continuing to provide the highest quality care to our patients and their loved ones.

No Act of Kindness Should Go Unnoticed *Introducing the YRMC Grateful Patient Program*

This program is designed to recognize staff and volunteers for the difference each and every one makes in the lives touched every day!

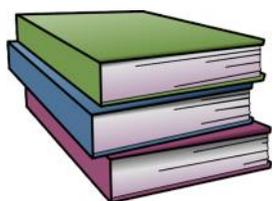

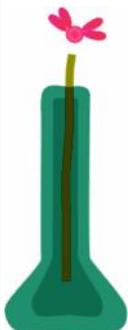

Look for brochures in waiting areas and patient units. Patients, visitors and/or family members may want to say “thank you” and make a donation in your honor; the Grateful Patient Program allows them to do this. Those honored receive a “Our Caring Makes a Difference” Grateful Patient Pin to wear with pride. The Foundation staff is simply grateful for the work you do every day. Questions? Please call Chamine David at 771-5169 in the YRMC Foundation office.
