

I Experienced Outstanding Care!

If you would like to participate in Yavapai Regional Medical Center Foundation's Grateful Patient Program, please complete **both** sides of this form and mail it to:

YRMC Foundation
1003 Willow Creek Road
Prescott, AZ 86301.

Or call us at (928)771-5686.

Even if you are unable to give at this time, you may use this space to send a thank you note to an outstanding YRMC member or department, and we'll forward your note of appreciation to them.

When recognizing individuals, please specify their full name and department.

The Grateful Patient Program

It's a Way to Say
"Thanks"

YAVAPAI
REGIONAL
MEDICAL
CENTER *foundation*

Grateful Words ...

"Our provider is kind, caring, and such a good man ... the best doctor we could have had in our situation. He has such great communication skills and he was the perfect doctor at the perfect time."

"My nurse's sensitivity and compassion was outstanding and went beyond more than just being a nurse to a patient. She did everything possible to make me feel more comfortable and that I was not alone."

"It is plain to see my doctor derives a great deal of satisfaction from serving patients and is willing to 'go the extra mile'. In my opinion, outstanding service such as this deserves to be rewarded."

"The staff member who tidied up my father's room demonstrated a caring attitude and treated him with respect. The things that stuck out most were her beautiful attitude and infectious smile. Thank you for going above and beyond with my dad. You are a true representation of YRMC's mission, vision and values."

"We were happy to have had such a good experience and want the people in the Emergency Department to know it is nice to know the community can count on them for great care."

"Thanks so much for the warm blankets, thorough pre-op, a gentle ride to the operating room and post-op care. YRMC can be very proud of you. You made my surgery adventure as comfortable and safe as possible. You all are true professionals."

“I am so grateful ...”

It may have been the caring physician who performed your surgery, the compassion a nurse showed to you during a difficult moment, or a gentle hug that calmed your fearful child. It may have been a simple kindness from one of our volunteers that made you feel more like a family member than a patient.

There are many ways the members of Yavapai Regional Medical Center’s healing team strive to make a difference for their patients. We hear about them all the time, through phone calls, letters and other expressions of gratitude—including charitable gifts.

The YRMC Foundation’s Grateful Patient Program allows patients and/or their families to express their appreciation for the exceptional care they received while at Yavapai Regional Medical Center.

Spirit. Compassion. Love. Impact.

The impact of your gift is profound. It can change lives. You may choose to recognize a special doctor or nurse, an entire department, or a clinical program that impacted your health or that of a loved one. Your financial gift is a meaningful way to say “Thank you, I appreciate what you did for me,” and affirms the efforts of those who may have given so much to you.

At the same time, your generosity will enhance the experience of future patients—by helping us fund new technologies, introduce new programs, and support the ongoing excellence of personalized care for our patients.

Most important, your donation acknowledges and lifts up caregiving at YRMC—whether it’s a physician, a nurse, therapist or anyone in any department who made a special impression, performed with exceptional skill, or made your time at YRMC a better experience.

Your recognition will be shared with the staff member(s) and their team.

The purpose of the YRMC Foundation is to provide the vehicle for donors to express philanthropy and touch all the people of our communities. We develop funds through inspired donor involvement in order to ensure YRMC’s ability to meet ongoing healthcare needs.

YRMC relies solely on patient revenues and community support for all of its funding. No taxes have ever been levied to fund YRMC programs or to pay for capital improvements.

Yavapai Regional Medical Center and the YRMC Foundation are both not-for-profit 501(c)(3) organizations.

I am grateful for the care provided by Yavapai Regional Medical Center!
